Response dated February 27, 2007  
Reply to Office action of January 29, 2007

kindly requested to treat the non-elected claims under In re Ochiai, 37 USPQ2d 1127 (Fed. Cir. 1995); see also 1184 OG 86 (March 26, 1996) and In re Brouwer, 37 USPQ2d 1663 (Fed. Cir. 1996).

The Examiner also issued an Election of Species Requirement in items 3 and 4 on pages 3 and 4 of the Office action. The Election of Species Requirement, however, was directed to the non-elected claims of Group II. Therefore, it is believed that this Election Requirement is moot.

In view of the foregoing, the early issuance of an Action on the merits of claims 1 to 66 and 83 to 87 is solicited.

If an extension of time for this paper is required, petition for extension is herewith made. Please charge any fees that might be due with respect to Sections 1.16 and 1.17 to the Deposit Account of Mayback & Hoffman, P.A., No. 503,836.

Respectfully submitted,
